NEXWLÉLEXM (BOWEN ISLAND)

- The Islands Trust council acknowledges that the lands and waters that encompass the Islands Trust Area have been **home to Indigenous peoples** since **time immemorial** and honours the **rich history, stewardship, and cultural heritage** that embody this place we all call home.
- The Islands Trust council is committed to establishing and maintaining mutually **respectful relationships** between Indigenous and non-Indigenous peoples. Islands Trust states a **commitment to Reconciliation** with the understanding that this commitment is a **long-term relationship-building and healing process**.
- The Islands Trust council will strive to **create opportunities for knowledge-sharing** and understanding as people come together to **preserve and protect** the special nature of the islands within the **Salish Sea**.

Place (Contextual Purpose)

What skills do I need in this place?

What is Purposeful Planning?

All of us navigate **4 purposes** in every **place** we are in:

- Personal Purpose
- Social Purpose
- Intellectual/Thinking Purpose
- Curricular Purpose

These **purposes** make it so that we are more than just existing in a location, and instead gives us **meaningful roles & responsibilities** in a **community**

How can we **anticipate purpose** to support students to have meaningful **roles and responsibilities** in an inclusive classroom?

What is Purposeful Planning?

Personal Purpose

- Roles & responsibilities connected to how an **individual** can be successful in a community
 - How can we support **individual identity**?
 - How can we support **positive behaviour**?
 - How can we support **individual identity, awareness and regulation**?
 - How can a **community support individuals to personally belong**?
 - How can we **co-construct a personal vision** for a successful community that **considers all the individuals within it**?

What is Purposeful Planning?

Social Purpose

- Roles & responsibilities connected to how a **community** can be successful **together**
 - How can we support **social identity**?
 - How can we support **positive interactions** and **communication**?
 - How can we support **social awareness, responsibility,** and **collaboration**?
 - How can a **community** support individuals to **socially belong**?
 - How can we **co-construct** a **social vision** for a successful community that **considers all the individuals within it**?

What is Purposeful Planning?

Intellectual

Intellectual/ Thinking Purpose

- Roles & responsibilities connected to how a community can learn successfully together
 - How can we support intellectual identity?
 - How can we support positive learning experiences?
 - How can we honour multiple ways of learning and knowing, critical and creative thinking?
 - How can a community support individuals to intellectually belong?
 - How can we co-construct an intellectual vision for a successful community that considers all the individuals within it?

What is Purposeful Planning?

Curricular Purpose

- Roles & responsibilities for students navigating a common curriculum together
 - How can we support **curricular engagement**?
 - How can we support **positive curricular experiences**?
 - How can we honour **accessible and challenging curriculum**?
 - How can a **community support individuals to belong in a curricular context**?
 - How can we **co-construct a curricular plan for a successful community that considers all the individuals within it**?

What is Purposeful Planning?

Historically, however...

These areas often correspond with an individual's areas of deficit:

1. Personal – Behaviour Deficits
2. Social – Communication & Social Skills Deficits
3. Intellectual – Learning Deficits
4. Curricular – “not ready” “not able”

This has led to IEPs **focusing** on **deficit-based goals** and **programming**

This programming is often connected to receiving services and support in these areas **in another place**

Place of Community

How can I be successful in this place?

Wild Tea

What questions are coming up?

Why is Purposeful Planning Important?

- Focusing on an individual's roles & responsibilities that are connected to belonging to a community
- Shifts away from targeting individual's deficits in isolation and towards their holistically building on their strengths and contributions in a community
- Ensures students are more than just integrated, or existing in a classroom (which often leads to challenging behaviour)
