Nexwlélexm (Bowen Island)

- The Islands Trust Council acknowledges that the lands and waters that encompass the Islands Trust Area have been **home to Indigenous peoples** since **time immemorial** and honours the **rich history, stewardship, and cultural heritage** that embody this place we all call home.
- The Islands Trust Council is committed to establishing and maintaining mutually **respectful relationships** between Indigenous and non-Indigenous peoples. Islands Trust states a **commitment to Reconciliation** with the understanding that this commitment is a **long-term relationship-building and healing process**.
- The Islands Trust Council will strive to **create opportunities for knowledge-sharing** and understanding as people come together to **preserve and protect** the special nature of the islands within the **Salish**

Welcome!

Our Plan Together

November 16: Kick Off – What are the **guiding conditions of inclusion?**

December 6: Guiding Condition #1: All Students are **presumed competent**

February 21 : Guiding Condition #2: All students are **placed in inclusive classrooms**

March 20 : Guiding Condition #3: All students are within **proximity to and participating in learning with peers**

April 23: Guiding Condition #4: All students have meaningful **purpose in inclusive classrooms**

May 16: Guiding Condition #5: All students are **planned for from the start**

Guiding Conditions of **iNCLUSION** describe that all children & youth...

are **PRESUMED** competent and as having **POTENTIAL**

are **PLACED** in and attending inclusive programs

are in **PROXIMITY** to and **PARTICIPATING** with **PEERS**

have **PURPOSEFUL** roles and responsibilities

are **PLANNED** for from the start

Location vs. *Place*

Existence vs. *Belonging*

Place Based Planning

Historically programming for children with disabilities has not been connected to place, it has been connected to **individual deficit areas**

Place can influence what an individual's **identities, roles, responsibilities and contributions** are

Place **connects** individuals within a **community** to each other

Place can **influence barriers** that individuals are experiencing

Place reflects an inclusive vision – increasing the places where individuals have **purpose and belonging**

Why does purpose matter?

Purposeful Planning

The difference between **integration** and **inclusion**

What is PURPOSE?

The bank

The gas station

The grocery store

PURPOSE is the why, the how and the what of being successful in a place

What is PURPOSE?

The bank

Where am I?

Why am I here?

The gas station

The grocery store

How can I **act** in this place?

How can I **interact** in this place?

What **decisions** will I need to make in this place?

What specific **skills** do I need in this place?

~~Determining~~ Roles & Responsibilities Anticipating

How can I **act** in this place?

How can I **interact** in this place?

What **decisions** will I need to make in this place?

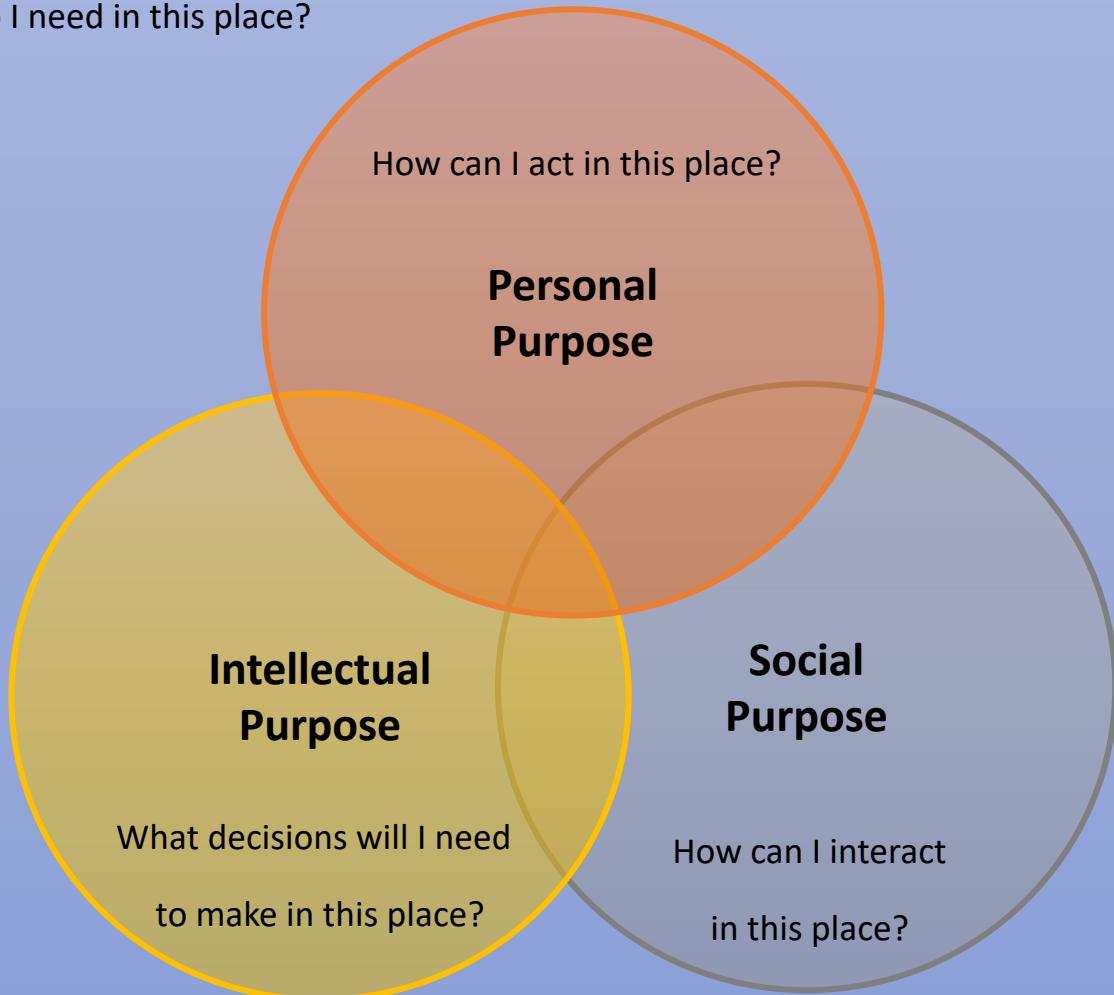

What specific **skills** do I need in this place?

Place (Contextual Purpose)

What specific skills do I need in this place?

What is Purposeful Planning?

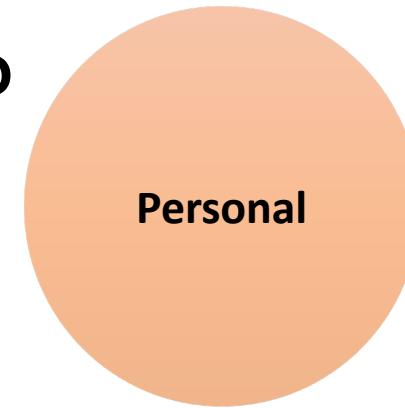

All of us navigate **4 purposes** in every **place** we are in:

- Personal Purpose
- Social Purpose
- Intellectual/Thinking Purpose
- Curricular Purpose

These **purposes** make it so that we are more than just existing in a location, and instead gives us **meaningful roles & responsibilities** in a **community**

How can we **anticipate purpose** to support students to have meaningful **roles and responsibilities** in an inclusive classroom?

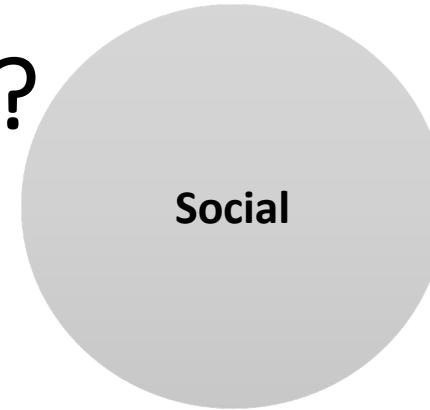

What is Purposeful Planning?

Personal Purpose

- Roles & responsibilities connected to how an **individual** can be successful in a community
 - How can we support **individual identity**?
 - How can we support **positive behaviour**?
 - How can we support **individual identity, awareness and regulation**?
 - How can a **community** support **individuals** to **personally belong**?
 - How can we **co-construct a personal vision** for a successful community that **considers all the individuals within it**?

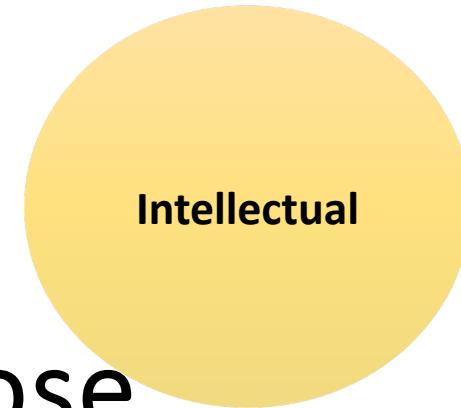

What is Purposeful Planning?

Social Purpose

- Roles & responsibilities connected to how a **community** can be successful **together**
 - How can we support **social identity**?
 - How can we support **positive interactions and communication**?
 - How can we support **social awareness, responsibility, and collaboration**?
 - How can a **community** support individuals to **socially belong**?
 - How can we **co-construct a social vision** for a successful **community** that **considers all the individuals within it**?

What is Purposeful Planning?

Intellectual/ Thinking Purpose

- Roles & responsibilities connected to how a **community** can **learn** successfully together
 - How can we support **intellectual identity**?
 - How can we support **positive learning experiences**?
 - How can we honour **multiple ways of learning and knowing, critical** and **creative thinking**?
 - How can a **community support individuals** to **intellectually belong**?
 - How can we **co-construct** an **intellectual vision** for a **successful community** that **considers** all the **individuals within it**?

What is Purposeful Planning?

Contextual Purpose

Contextual
Purpose

- Roles & responsibilities for students navigating a common curriculum together
 - How can we support **curricular engagement**?
 - How can we support **positive curricular experiences**?
 - How can we honour **accessible and challenging curriculum**?
 - How can a **community** support individuals to **belong in a curricular context**?
 - How can we **co-construct a curricular plan** for a successful community that **considers all the individuals within it**?

What is Purposeful Planning?

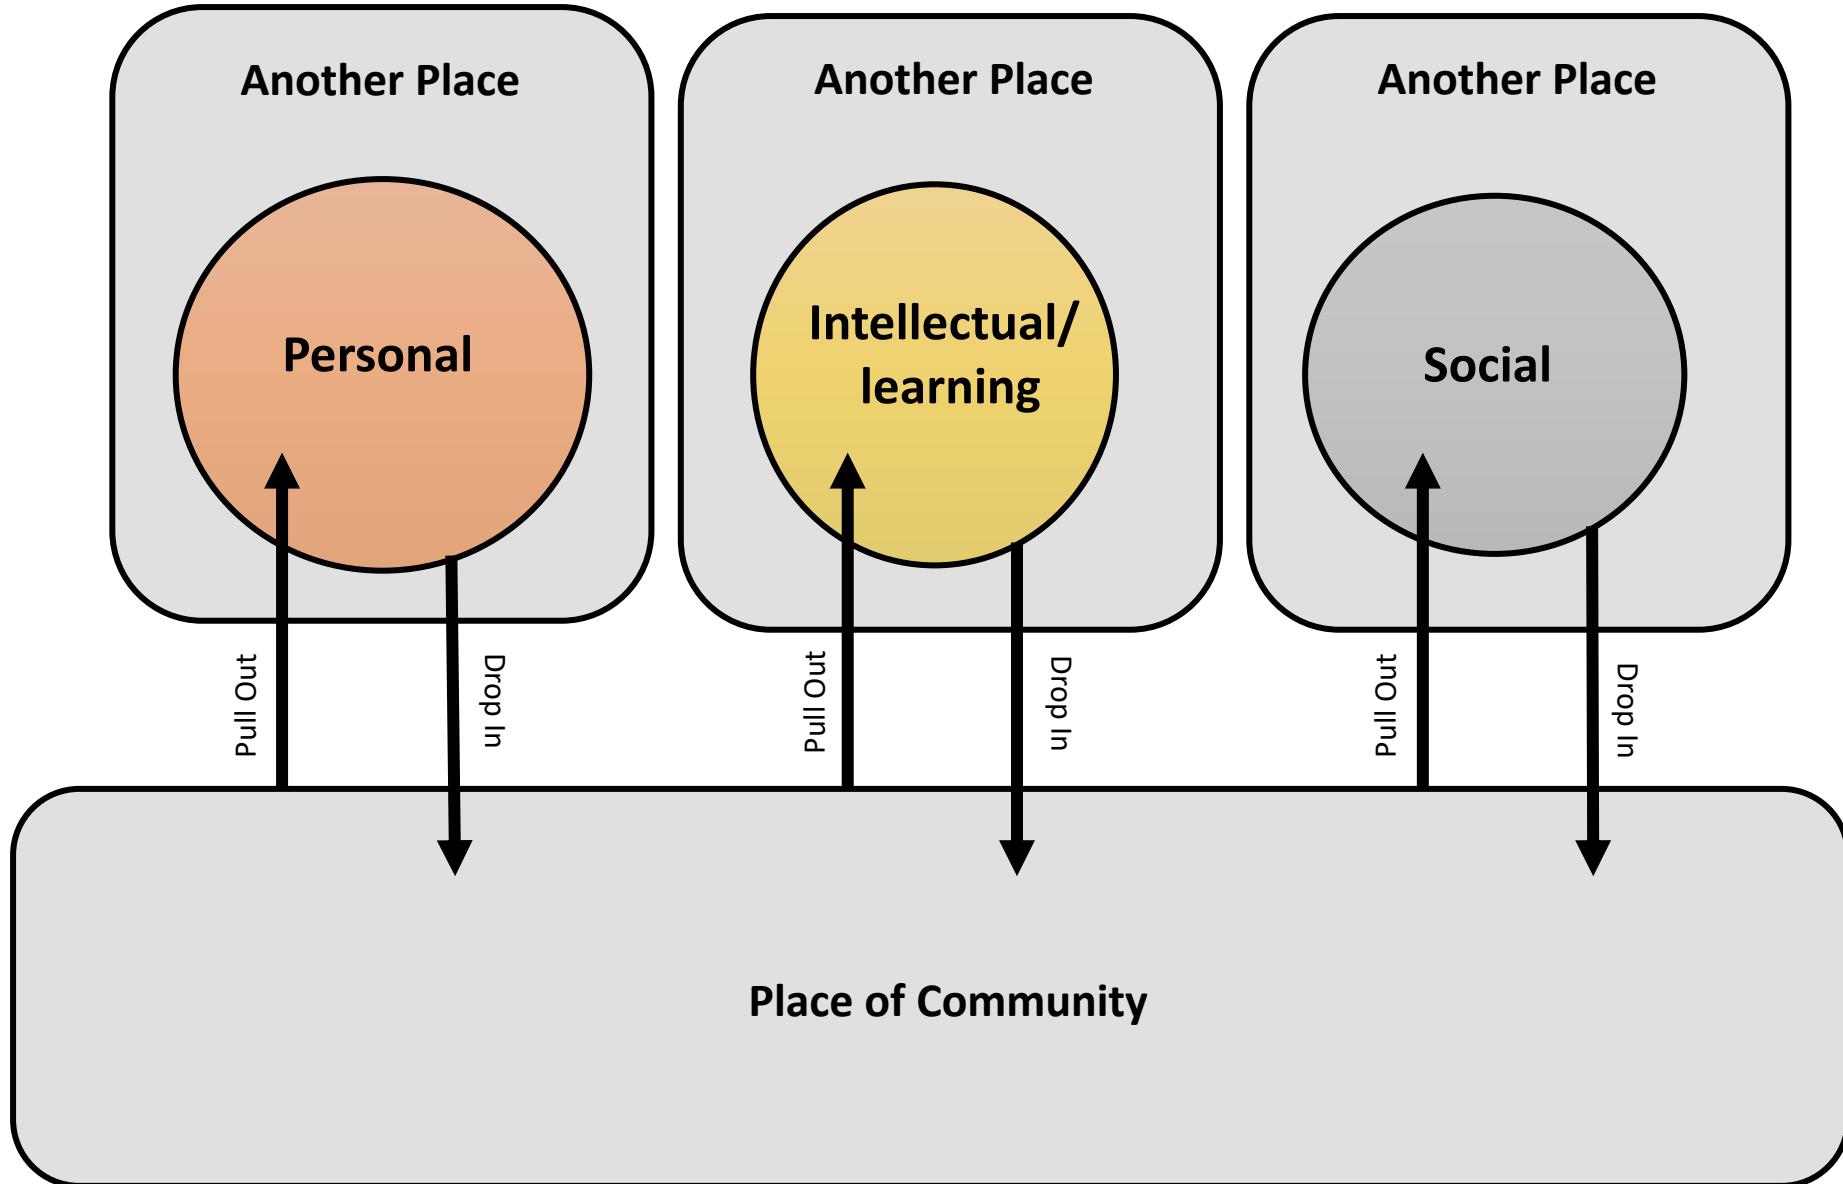

Historically, however...

These areas often correspond with an individual's areas of deficit:

1. Personal – Behaviour Deficits
2. Social – Communication & Social Skills Deficits
3. Intellectual – Learning Deficits
4. Contextual – “not ready” “not able”

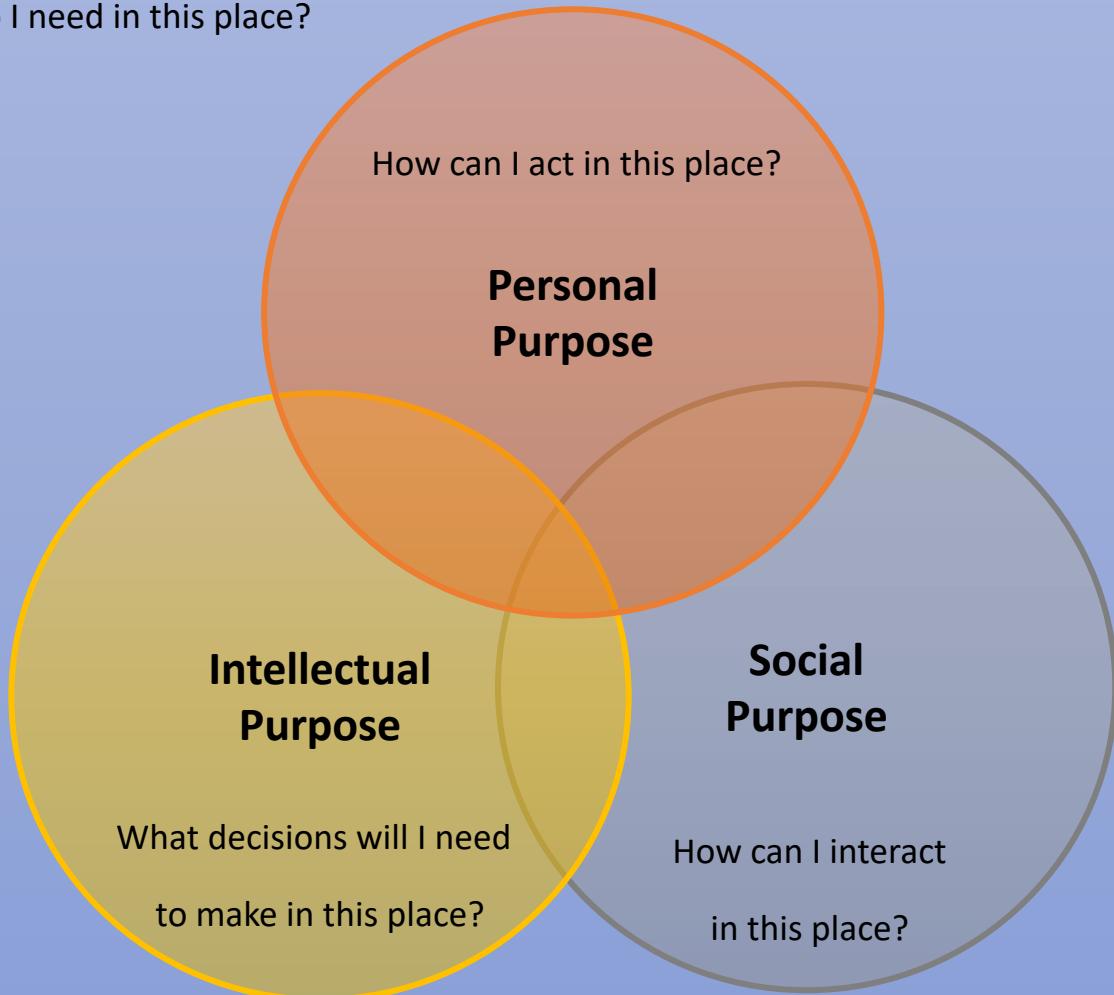

This has led to IEPs/Individual plans that **focus** on **deficit-based goals** and **programming**

This programming is often connected to receiving services and support in these areas **in another place**

Place (Contextual Purpose)

What specific skills do I need in this place?

Why is Purposeful Planning Important?

- Focusing on an individual's **roles & responsibilities** that are connected to **belonging to a community**
- Shifts away from targeting **individual's deficits in isolation** and **towards** their holistically building on their strengths and **contributions in a community**
- Ensures individuals are **more than just integrated**, or existing in a classroom (which often leads to challenging behaviour)

Strategy: Place Alignment Planner

- For students who are **not included** in any places
- For students who are **partially included** in some places
- For students who are **existing**, but not belonging in an inclusive place (AND have some **challenging behaviour**)
- **NOT** for students who are already included
- **NOT** for students who are not having challenging behaviour
