WHAT IS
inclusion ?

inclusion is...

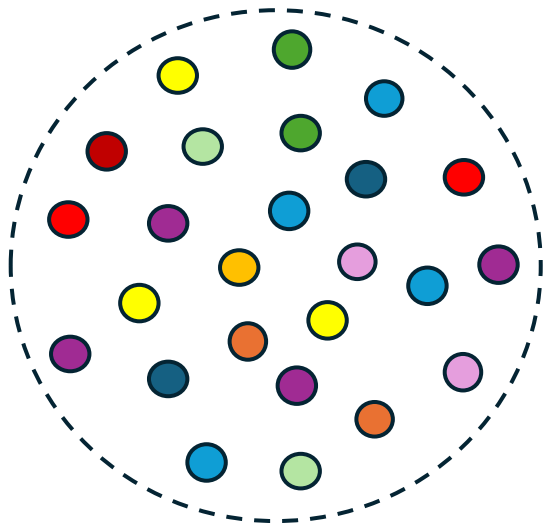

including
'special needs' students in
general education
classrooms

teaching and planning for
diversity
in neighbourhood schools
and classrooms
(where Diversity includes
Disability)

so that students can
feel confident and safe to
identify,
AND where
Disability

is considered a valued identity in the community.

The background features several large, solid-colored circles in various shades: a large green circle on the bottom left, a large orange circle on the right, a medium blue circle at the bottom center, a small purple circle at the top right, and a small dark blue circle at the top center.

What are you
